Dear Valued Customer,

**RE: Manulife SGD Income Fund (the “Fund”) – Fund Termination Notice**

---

The Fund was launched on 13 March 2018 as a wholesale feeder fund that seeks to provide income and capital appreciation by investing in one collective investment scheme i.e. Manulife Funds – Manulife SGD Income Fund, which invests primarily in Asian fixed income or debt securities. As at 31 July 2024, the Fund had a small fund size at approximately RM16 million.

As permitted by the deed and disclosed in the Information Memorandum, the Fund may be terminated without a special resolution passed at unit holder’s meeting if it is impracticable or inadvisable to continue the Fund and that such circumstance of termination is in the best interest of the unit holders.

Upon analyzing on the Total Expense Ratio (TER) against the fund size, Manulife Investment Management (M) Berhad (the “Manager”) and the Trustee have the same opinion that it would be in the best interests of the unit holders to terminate the trust and wind up the Fund.

In view of the impending Fund’s termination, kindly be informed that all subscriptions, regular investment subscriptions, transfers and switching of units into the Fund has ceased with effect from 1 October 2024. In consideration of that, we highly encourage you to switch out from the Fund to the recommended fund listed in *Appendix A* **before 14 November 2024, 3:00pm for paper submission and 4:00pm for online submission.**

Should you choose to redeem from the Fund, the last date of redemption would be **14 November 2024, 3:00pm for paper submission and 4:00pm for online submission.** Please ensure your particulars are updated and valid (such as address, contact number, bank account details or tax status) for us to process the redemption payment. You may update your particulars by completing the attached Unit Holder Record Maintenance form and submit to your servicing agent/nearest branch or our Customer Service team, latest by 14 November 2024. Any monies payable to you after the Fund Termination exercise which remain unclaimed after two (2) years from the date of payment will be handled by the Manager, without further notice to you, in accordance with the requirements of the Unclaimed Moneys Act, 1965.

Please note that the Manager will begin liquidating the Fund on 15 November 2024 (the “Commencement Date”) and complete by 22 November 2024 (the “Termination Date”). During this period, the Fund may not be able to fully adhere to its investment objective and strategy. For unit holders who remained invested in the Fund after 14 November 2024, 4:00pm, cash proceeds\* from assets disposal (less any administrative expenses and fees due) will be returned to the unit holders after the Termination Date. A confirmation advice slip will be sent to you.

For your reference, the Fund Termination exercise (including Fund’s audit) is expected to complete by 21 January 2025 (the “Completion Date”). Termination costs of the Fund, including legal and administrative fees are borne by the Manager. The Fund’s final review and audit related fees are charged to the Fund as permitted by the Deed. In view that the final financial period will fall on the Fund’s Termination Date, there will be no additional termination cost and expense incurred apart from the normal fund expenses as mentioned above.

Thank you for your continued support. Do reach out to your servicing agent or our Customer Service personnel at 03-2719 9271 if you require any clarification and/or further information.

Yours faithfully,  
**For Manulife Investment Management (M) Berhad**
